December 4, 2009

Dear Trinity Catholic Academy Families,

At Trinity Catholic Academy we are committed to addressing the educational needs of every student through a challenging academic curriculum and outstanding faculty. We encourage our students to define themselves through participation in our award winning band and choral programs, academic leagues, athletic leagues and community service. We pride ourselves in our diversity and rich mixture of ethnic, racial and economic background of students. As parents, your involvement and support in your child's Trinity Catholic Academy experience is vital. We invite you to take advantage of the many upcoming activities here at Trinity and ask that you support the many efforts currently being put into place to ensure the financial future of our school.

One such effort will begin this December with a school wide calendar drive conducted by the Advancement office in conjunction with the lower and upper campus PTO's. The cost of the calendar is \$10 and gives everyone who purchases a calendar the opportunity to win \$100 everyday of the week for the month of March with a "Pot of Gold" prize of \$500 on the last day of the month. We are asking and encouraging each student to sell ten calendars. If you have more than one student at Trinity, we are hoping that you and your family participate in selling twenty calendars. Arrangements have been made with the area parishes to allow our students time after their masses to sell calendars as well as at upcoming school events. This calendar drive presents a great opportunity to fund the PTO's and the many activities and programs they support throughout the school year such as field trips and special programming.

Included in the calendar packet each student has received ten calendars and an envelope to return the bottom portion of the calendar and the calendar money to school. Please make sure the return envelope is filled out completely. All envelopes or unsold calendars should be returned to school by January 4, 2010. All winners will be posted daily on www.tcabrockton.org.

If you have any questions or concerns, please do not hesitate to contact the Advancement office at 508-583-6237 and thank you in advance for your support.

With much gratitude,

Kelli O'Brien McKinnon
Director of Advancement
Trinity Catholic Academy
